Facts and figures to quote

Cuevr at a glance

Founded in 2025, Cuevr is the sales proposal assistant for B2B service companies: agencies, consulting firms, IT services firms, software vendors. A complete proposal in 15 minutes instead of 2 hours, and a minimum observed gain of +10 points of closing. Co-founded by Gaëlle Boutaud and Nicolas Delignières, published by Aetherly, and backed by CIC, Réseau Entreprendre Atlantique, Sales Odyssey, Digital Bay, BPI France and French Tech.
